

Bozeman ICM Faculty

Mike Herring, MD
herrboz@aol.com 406-522-2400
905 Highland Blvd., Suite 4500
Bozeman, MT 59715

Dr. Herring graduated medical school in Dallas (UT Southwestern) and completed his residency at UC San Francisco. He has been a general internist (and now a part-time hospitalist) in Bozeman since 1994, and a WWAMI instructor since 2002.

UWSOM College Faculty

Eric Kraus, MD
ekraus@u.washington.edu 206 616-6992
UW Medicine SS829, Box 356465
Seattle, WA 98195

Eric Kraus, MD, Assoc. Prof Department of Neurology
Medical School: Univ. of Minnesota - Minneapolis
Neurology Residency: Univ. of Washington - Seattle
Director, Neurology Clerkship
College Faculty Mentor, Wind River
Chair, Required Clerkship Committee
UW Neurology Service Chief

Dr. Kraus, MD, graduated medical school from the University of Minnesota in Minneapolis and completed his neurology residency at the University of Washington School of Medicine. He has a focus on and fondness for neurology education, working with students half time at the UWSOM and spending half his time doing clinical work.

Sam Sharar, MD
Professor, Dept. of Anesthesiology
sharar@u.washington.edu 206 744-5765
Box 359724
Harborview Medical Center
Seattle, WA 98195-9724

Sam is a native Montanan (Great Falls, Butte), former Montana WWAMI student (E-79), and UWSOM graduate. With fellowship training in trauma and pediatric anesthesiology, he provides acute and

perioperative trauma and burn care to adults and children at Harborview Medical Center in Seattle. He is co-director of an NIH-funded research program studying applications of virtual reality technologies to non-pharmacologic pain management. He is a 9-year member of the UWSOM College Faculty responsible for medical student advising and mentoring, as well teaching basic clinical skills and clinical reasoning in the 2nd year Introduction to Clinical Medicine course.

Lynn M. Oliver, MD
Associate Professor
lynn_oliver@fammed.washington.edu (206) 598-4055
Department of Family Medicine
University of Washington School of Medicine
4245 Roosevelt Way NE
Seattle, WA 98105

Lynn Oliver, MD is a graduate of the University of Washington School of Medicine and its family medicine residency. She joined the UW SOM faculty in 1989, teaching residents since then. In 2002 she became one of the inaugural members of the School of Medicine Colleges faculty and works closely with medical students. Her professional interests include teaching clinical reasoning, lifestyle and culture as determinants of health, women's health care, and the provision of medical care in low resource areas.

Sharon Dobie, MD
dob@u.washington.edu 206 543-9425
Box 356390
E-304 Health Sciences Bldg
Seattle, WA 98195

Sharon Dobie is Professor of Family Medicine at the University of Washington. She maintains a clinical practice, teaches medical students within the College Program, is the Director of the Underserved Pathway and active in residency teaching. She went to UCSF for medical school and has lived in Seattle since 1983.

Mark Whipple, MD, MS, FACS
Associate Professor
Department of Otolaryngology-Head & Neck Surgery
Associate Program Director
Acting Chief of Oto/HNS, Harborview Medical Center Head, Big Sky College
Box 359894
325 Ninth Avenue Seattle,
WA 98104-2499 (206)744-3231
(206)744-3269 Fax
mwhipple@u.washington.edu

Mark Whipple is an Associate Professor of Otolaryngology-Head & Neck Surgery at the University of Washington and Chief of Oto/HNS at Harborview Medical Center. He is the Head of Big Sky College where he has been involved in teaching medical students for the past 9 years. He is a graduate of the University of Washington School of Medicine (Alaska WWAMI) and completed his residency training at the University of Illinois and a Master's of Medical Informatics at the Massachusetts Institute of

Technology. After residency he practiced in his hometown of Fairbanks, Alaska for 5 years before joining the University of Washington in 2001.

Laurel Desnick, MD
ldesnick@u.washington.edu 206 598-5029
UW Medicine
UW Roosevelt Women's Care Center
4245 Roosevelt Way NE
Seattle, WA 98105

Laurel Desnick MD is a Clinical Assistant Professor in the Department of Medicine at the University of Washington, where she serves as a faculty member in the Rural/Underserved Opportunities Program, developing curriculum, mentoring students, and working with physician preceptors in the WWAMI region. Her clinical practice is in Livingston, Montana where she works as a general internist and serves as Medical Director of the Hospice and Palliative Care Service for Livingston Healthcare.
