

2017 Conference Ski Lift and Rental Rates

Lift tickets will be available to the group at the discounted rate of \$75 per adult, per day to group members registered in accommodations through Big Sky Inc. only. This rate does not include 3% tax. The group list will be automatically forwarded to the Concierge Desk and Ticket Sales so participants may order tickets at either location. **Only guests lodging with Big Sky Resort will be eligible for this discounted lift rate.**

Big Sky Resort provides daily, on-mountain, ski tours at 10:45 AM and 1 PM, geared primarily towards intermediate skiers. Please arrive 10 minutes prior to your departure. Your group will enjoy a 1 ½ hour ski tour of the entire resort area, which includes different ski lifts, the many ski runs & adjoining areas, plus the generous mountain base amenities. Please contact Nick Efta at nefta@bigskyresort.com or (406) 995-5527. To ensure proper staffing, please advise us of the date, time and approximate group size wishing to take a Mountain Ski Tour. On your day, meet at the base area, north of the Swift Current lift, under the sign that reads “Mountain Host Tours”.

Group members must give their name and group to the rental office to receive the discount. Group nametags may speed up the process. Big Sky Rental is open 8 AM – 6 PM daily. If you have equipment rental questions, contact Kyle Krawiec via e-mail (kkrawiec@bigskyresort.com) during Ski Season but at least 1 week prior to arrival. Please refer to our website for further descriptions of equipment models.
