

1 Pre-plan teaching interactions in busy clinical environments

Remind yourself of general rules for efficiency

Remember the longest, most inefficient day? What did YOU do to make it worse?	Remember the best, most efficient day of teaching? What did YOU do to make it efficient?	Adults learn best with ...
		<ul style="list-style-type: none"> ● Relevance ● Experience ● Repetition ● Goals ● Feedback

Thinking about these general rules, create a specific plan.

What are the four steps that are going to get you through the day AND help teach your student about physical exam:

- 1.
- 2.
- 3.
- 4.

2 Leverage role-modeling to maximize teaching

How can you maximize role-modeling in your clinical teaching?

- Awareness
- Explicit
- Enthusiasm

3 Explicitly label and reinforce teaching points.

Commit to highlighting the “one most important thing to remember” at the end of every day.

(It's a check box)
